2024 ANNUAL REPORT

Our vision is for a better Aotearoa New Zealand, by supporting communities through the sustainable and ethical generation of community funding in a way that minimises harm and is consistent with the purposes of the Gambling Act.

We value integrity, compelling us to act honestly, ethically and transparently.

For 39 years we have been working with NZ communities to make a difference.

During this time we have granted over $1 billion to support community projects across the country.

In the last financial year we distributed more than $36.5 million to community-based organisations.

We're here to make a difference.

Here for good

Plunket

Plunket community services connect and support parents, caregivers and whānau through a variety of services including support groups, coffee groups, playgroups, exercise groups, special interest/language groups, clothing exchanges and education groups. Plunket community services encourage the principles of positive parenting, the development of healthy parent/child relationships and most importantly the wellbeing of parents, caregivers and whānau.

THE LION FOUNDATION

Chair and CE Report

Chair's Report

It gives me great pleasure to present the Chair's Report for The Lion Foundation's Annual Report for the fiscal year 2023/2024. As Chair of Trustees, I'm honoured to lead this organisation and work alongside our dedicated team of Trustees, staff, and venue stakeholders, all of whom have played a crucial role in our continued success.

Despite the challenges posed by the global economic landscape and the pressures of living costs in New Zealand, The Lion Foundation has remained fully committed in fulfilling our mission to support the community. A key part of that commitment is being a responsible custodian of community funds, ensuring that our grants reach where they are needed most.

I'm pleased to report that in spite of these market challenges, through careful stewardship, we've continued to provide vital funding to a diverse range of charitable and community organisations across Aotearoa New Zealand, enabling them to thrive and deliver essential services to those in need.

One significant development this past year was the full embrace of the new Harm Minimisation Regulations that came into force on December 1, 2023. As Trustees we are committed to ensuring the best possible harm minimisation systems are in place and The Lion Foundation has worked diligently to ensure compliance with these regulations and provide support to our venues and their staff with comprehensive training and other resources. We recognise the importance of harm minimisation and are committed to upholding these standards while fulfilling our purpose.

We are proud to have supported a diverse range of sectors, including education, sports, arts and culture, and health services, empowering charitable and other not for profit organisations to make a positive impact for people in their communities.

The largest category we support is sport with grants to several national and provincial sporting organisations including rugby, cricket, hockey, football, basketball, netball, among others. We also provide grant funding to all sorts of grassroots local clubs across the country from dressage to bowls.

Many health-based organisations with a mission to help others, such as Plunket and the Breast Cancer Foundation, also benefited from our grant funding over the past 12 months. We are also big supporters of the arts with grants to organisations like The Arts Foundation and the Royal NZ Ballet.

The Lion Foundation has partnered with educational institutions such as the Young Enterprise Scheme and the Life Education Trust in the education space to foster innovation and provide opportunities for youth, emphasising the importance of education and youth development.

We are equally proud of our grants in smaller more isolated parts of New Zealand. For example, the resurfacing of the netball courts at Ngata Memorial College in Ruatoria which is now in use by school teams and the wider East Coast community. We also provided a grant to Te Ranga School in rural Bay of Plenty to develop a new school library and stock it with books. Many smaller areas of the South Island were included in grant funding too e.g. the Kurow Bowling Club and the Aspiring Athletes Club.

I extend my gratitude to all our key stakeholders, their dedicated staff, and volunteers who work tirelessly to make a difference. I also commend our hardworking staff and Trustees for their dedication and commitment to our mission.

I especially wish to extend my thanks and appreciation to Sarah Smith who stepped down as a Trustee in December 2023 after 10 years of service to The Lion Foundation. I wish Sarah well in her future endeavours.

Importantly, I acknowledge the invaluable contribution of our venue operators, without whom our community contributions would not be possible.

Looking ahead, The Lion Foundation remains committed to being a leader in community support, fostering partnerships, and addressing emerging needs. We will continue to adapt to change and seek innovative ways to maximise the impact of our grants, to make a meaningful difference.

I'm immensely proud of The Lion Foundation's achievements in what was a challenging year for the sector, made possible through the collective efforts of our stakeholders. I extend my sincere gratitude to everyone involved in our journey and look forward to another year of shared success.

Yours sincerely,

Peter Kean

Chief Executive's Report

The Lion Foundation has faced significant challenges in the 2023/24 financial year, yet our commitment to supporting communities across Aotearoa New Zealand remains strong. I am pleased to be able to share some of our achievements and the positive difference we have made over the past year.

Financial Performance

FY23/24 has seen a challenging market environment. The tough economic climate and higher living costs we are all currently experiencing has impacted the hospitality sector in most regions resulting in a decline in both revenue and venues numbers in the Class 4 sector. We have not been immune to this trend which has seen a slight decline in our revenue. However, amidst these difficulties, I am proud to report that we have distributed grants totalling $36.5 million to 2,366 community organisations across Aotearoa New Zealand, ensuring critical support reaches those who need it most.

Community Impact

The $36.5 million in grants provided vital lifelines to numerous charitable organisations, community groups, and initiatives. We take pride in the diverse range of organisations we continue to support which have upheld essential services in education, healthcare, social welfare, environmental conservation, cultural activities, and sports.

The impact of grant funding from The Lion Foundation is exemplified by the Graeme Dingle Foundation's youth development programmes which have been found in a study undertaken by leading NZ economic consultancy firm Infometrics, to have a staggering $10.50 return for every dollar invested.

For example, a Lion Foundation grant of $85,000 to the Graeme Dingle Foundation in Western Bay of Plenty in March will have a whopping $892,500 impact and social return on that funding grant. We are continually highlighting the impact of community funding over and above the dollars and cents with Territorial Licensing Authorities throughout the country, and it is fantastic to see more organisations like the Graeme Dingle Foundation undertaking studies that support our belief that this funding model makes a real difference to those communities.

Acknowledgments

Along with the economic challenges faced by our venue partners, this year has also seen the introduction of new Harm Minimisation Regulations. At The Lion Foundation we are committed to upholding the highest standards of care for the gaming customers in our venues, but some aspects of the new regulations have been (and remain) very difficult to apply in a busy hospitality setting and I wish to acknowledge the effort of our venue operators and staff to adapt and comply with these challenging obligations . Your continuing support and commitment is greatly appreciated, and we look forward to continuing to work together to ensure we are generating community funding in a safe and caring environment.

I would also like to thank the dedicated team at the Lion Foundation, our Board of Trustees for their guidance and support and our Regional Grants Committee members for their input throughout the year. Each member of our team has played a crucial role in upholding our mission of making a tangible difference in the lives of New Zealanders.

In conclusion, while the past year presented its share of challenges, our commitment to supporting our venues and community welfare remains steadfast. As we navigate the road ahead, we strive for success to support grassroots initiatives and foster positive change in the communities we serve. We remain *Here for good*

Kurow Bowling Club

The Lion Foundation provided a grant of $5,000 to Kurow Bowling Club to purchase 12 sets of new bowls to encourage new and casual players. They replaced very old sets of bowls which were difficult for a new bowler to handle. They used the bowls to say thanks.

The Graeme Dingle Foundation

The Graeme Dingle Foundation's youth development programmes have been found to have a staggering $10.50 return for every dollar invested. The study, undertaken by leading NZ economic consultancy firm Infometrics, is a tool which quantifies the social and financial benefits and values of the Foundation's suite of services, using economic calculations which represent both value and cost to society. This means the grants to the Grame Dingle Foundation from The Lion Foundation have a significant impact on the communities they serve.

One such vehicle is the 1986 International Rescue Tender LH934, also known as Manukau 308, pictured here with former firefighter and AFBHS volunteer Colin Prince.

Te Ranga School

The Principal at Te Ranga School, Aimee Kennedy, told us we are incredibly thankful to The Lion Foundation for the invaluable support with our school library. The library makeover has completely changed our learning space, making it much easier for students to get hold of books and inspiring a real passion for reading. In rural areas like ours, it's sometimes tough to secure funding for projects like this, so we're truly grateful for the help our students have received.

Ngata Memorial College

The Lion Foundation made a grant of $50,000 to Ngata Memorial College in Ruatoria towards netball court resurfacing. They opened the courts on the 26th of March with a blessing from Nanny Connie Ferris. She put the tamariki from Ngata Memorial College and TKKM o Te Waiu o Ngati Porou into circles and asked them to hold hands so that all three courts were blessed simultaneously. Having a facility like this in the centre of the East Coast is of huge benefit to the whole community and will allow for large tournaments and events.

Wellington Ice Hockey Association

A grant to the Wellington Ice Hockey Association (WIHA) was for ice time for their inaugural U12 Super League in 2023. The Super League included over 40 kids of mixed gender and aged from 7 to 13 years olds divided into four teams of superheroes. There was team Black Panther, Superman, the Flash and Captain America. The teams battled it out over three terms and 25 weeks. The funding allowed Wellington Ice Hockey to provide a fantastic environment for young athletes to learn the fundamentals of ice hockey while fostering teamwork, leadership, discipline, and sportsmanship skills.

Wanaka Search and Rescue

The Lion Foundation supported Wanaka Search and Rescue with a grant towards replacement of essential equipment and helicopter training. Last summer this all-volunteer organisation to 26 emergency callouts, including a night-time rescue of three tourists suffering from advanced hypothermia who would certainly have died, and rescues of climbers from Mt Aspiring with broken limbs. Some of the team are pictured here on a training exercise.

Statement of Service Performance

OUR OBJECTIVES AND HOW WE MEASURE THEM

Our objectives are reflective of our commitment to our stakeholders and the organisations values.

OBJECTIVE 1 – THE RESPONSIBLE DISTRIBUTION OF GRANTS TO CHARITIES AND COMMUNITY GROUPS

1.1 Percentage of grants by category

Measure	Percentage of grants distributed by category	Achieved
What we achieved this year	Sport Arts, culture, community Education Health	43% 27% 15% 15%
What we achieved last year	Sport Arts, culture, community Education Health	44% 24% 14% 18%

Commentary

Each grant recipient organisation's purpose (vis-à-vis the founding document) and primary activity determines the category of funding. Judgement is applied by the Grant Advisors when processing the applications. The Grant Advisors receive training have access to guidelines and literature authored by legal experts to ensure consistent determination of category. DIstributed grants are defined on a payments basis excluding movements in accrued distributions payable for this measure.

1.2 Regional distribution of grants

Measure	Percentage of grants distributed by region	% Revenue Generated	% Grants Distributed
What we achieved this year	Northern Waikato/BOP Central Southern National	18% 34% 21% 27% N/A	18% 29% 16% 24% 13%
What we achieved last year	Northern Waikato/BOP Central Southern National	17% 36% 20% 27% N/A	18% 28% 15% 23% 16%

Commentary

Regional returns are measured as a percentage of funds distributed versus funds available. Funding can only be distributed upon successful application by community organisations, and for Authorised Purposes in terms of the Gambling Act. TLF does not have the ability to distribute funds under any other circumstance.

1.3 Percent of revenue returned to the community for Authorised Purpose

Measure	Percentage of revenue returned to the community for Authorised Purpose
What we achieved this year	40.01%
What we achieved last year	40.3%

Commentary
As at 31 March 2024, The Lion Foundation 2008 had distributed $36,587,878 of its gross proceeds from Class 4 gambling activities. Per Regulation 10 of the Gambling (Class 4 Net Proceeds) Regulations 2004 (the 'Regulations') 40% of gross proceeds must be distributed therefore the Foundation has accrued a provision of grants payable for $46,467, bringing the Authorised Purpose % for FY23-24 at 40.01%. Distributions paid on 17 April 2024 were sufficient to settle this obligation and were distributed within 3 months of balance date as required by the Regulation 11.
