Here for good

2023 ANNUAL REPORT

Our vision is for a better Aotearoa New Zealand, by supporting communities through the sustainable and ethical generation of community funding in a way that minimises harm and is consistent with the purposes of the Gambling Act.

We value integrity, compelling us to act honestly, ethically and transparently.

For 38 years we have been working with NZ communities to make a difference.

During this time we have granted over $1 billion to support community projects across the country.

In the last financial year we distributed more than $42.3 million to community-based organisations.

We're here to make a difference.

Life Education Trust

Thanks to The Lion Foundation grants, Life Education Trust has been able to respond, educating students, parents and teachers on the health risks of vaping and giving young people strategies to deal with peer pressure. During 2022, more than 240,000 students from 1,313 schools participated in Life Education Trust programmes.

Chair and CE Report

Chair's Report

It is with great pleasure and a sense of accomplishment that I present to you the Chair's Report for The Lion Foundation's Annual Report. As the Chair of Trustees for The Lion Foundation, I am honoured to lead this organisation and work alongside a dedicated team of trustees, staff, and stakeholders who have all played a pivotal role in our continued success.

I am delighted to report that The Lion Foundation has once again delivered a strong financial performance during the fiscal year. Despite the challenges posed by the global economic landscape, the cost-of-living pressures in New Zealand, our organisation has remained resilient and adaptive, ensuring the continued fulfilment of our mission to support the community. This year, I am thrilled to share that in our first post-Covid year we have achieved an exceptional amount of funding to return to the communities we serve, surpassing our projections and further enhancing our capacity to make a positive impact.

At the heart of The Lion Foundation's mission lies our unwavering commitment to enrich the lives of New Zealanders and build stronger communities. Throughout the year, we have continued to fulfil our purpose by providing vital support to a diverse range of charitable and community organisations across the nation. Our grants have empowered schools, sports clubs, arts and culture groups, and social service providers to thrive and deliver essential services to those in need.

Education and youth empowerment have always been key areas of focus for The Lion Foundation. This year, we have worked closely with educational institutions and organisations such as the Young Enterprise Scheme, the Graeme Dingle Foundation, and the Perry Outdoor Educational Trust, among others, to foster innovation and create opportunities for students. Through our grants programme, we have helped young individuals realise their full potential and equipped them with the necessary tools for success.

The Lion Foundation's success is deeply intertwined with the collaborative efforts of our stakeholders. I would like to extend my gratitude to our grant recipients, their staff and volunteers who tirelessly work towards making a positive difference in their communities.

I would also like to acknowledge the dedication & hard work of our CE, Tony Goldfinch & indeed the whole Team at TLF, and of course our Trustees. They have all gone above and beyond to ensure the smooth operation of our organisation.

I would also like to express my utmost respect and admiration for the hard work of our venue operators, without whom we would not be able to make the significant contributions to the communities where our venues are located. We remain committed to our model of returning circa 90% of revenue in grants to these communities.

We are proud of the work that we do to prevent and minimise harm from gambling and will continue to work with our venue operators and staff to give this the priority it needs to exceed our obligations under the Gambling Act, 2003 and Regulations.

I would like to take this opportunity to acknowledge and thank Simon Whyte, the previous Chair. Not only was Simon the Chair for many years, he also served as a Trustee prior to that.

Simon added and enhanced on the great work of previous Trustees during his tenure. We at The Lion Foundation wish Simon all the very best for the future.

As we reflect on the accomplishments of the past year, we must also look ahead to the future. The Lion Foundation remains committed to being at the forefront of community support, fostering partnerships and identifying emerging needs. We will continue to adapt to the changing landscape and seek innovative ways to maximise the impact of our grants. We will continue to strive to create a brighter and more inclusive future for all New Zealanders.

I am immensely proud of the achievements of The Lion Foundation in the past year. It is through the collective efforts of our stakeholders that we have been able to make a significant difference in the lives of countless individuals and communities. I extend my sincere gratitude to everyone involved in our journey and look forward to another year of shared success.

Yours sincerely,

Peter Kean

Chief Executive's Report

The 2022/2023 financial year has been both challenging and extremely satisfying for the team at The Lion Foundation and I am thrilled to share with you some highlights as we reflect on the year.

Financial Performance

After a challenging start to the year where Covid trading restrictions remained for our venue partners, more steady trading conditions as the year progressed enabled The Lion Foundation to deliver $42.3 million in community funding from 1 April 2022 to 31 March 2023. The $42.3 million distributed has supported 2,459 different organisations nationwide and equates to 40.3% in Authorised Purpose return which is an accomplishment our venue partners, the team, our board and all members of our Regional Grants committees can be proud of.

These grants have helped support education, healthcare, social welfare, environmental conservation, cultural endeavours, sporting and community activities throughout Aotearoa New Zealand and empowered numerous charitable organisations, community groups, and initiatives, ensuring their vital work continues to make a difference.

Our thoughts and best wishes go out to those communities impacted by the numerous severe weather events that the country has experienced in recent months, and it has been rewarding to be able to pro-actively reach out to those leading community service and recovery efforts and support those in need during times of crisis.

None of these achievements are possible without the support of many, and I would like to extend my sincere gratitude to our Board of Trustees, whose guidance and support have been invaluable throughout the year.

I would like to express my sincere thanks and appreciation to Simon Whyte. Simon stood down from his role as Board Chair in December 2022 after more than 14 years of dedicated service to the Lion Foundation. Throughout his tenure as Chair, Simon led the organisation with integrity and passion for our community funding model. He was a tremendous support both professionally and personally and we thank him for his contribution to the Lion Foundation.

A special thank you goes out to our Lion Foundation venues. Your partnership and support are integral to the sustainability of the funding we are able to deliver, and we deeply appreciate your hard work and commitment.

We are supportive of the Government's focus on Minimising Harm caused by gambling and will be working closely with our operators to ensure they have the support, service and capability that promotes the safe, sustainable delivery of community funding and delivers on our mission of making a difference to the lives of New Zealanders.

Thank you all for your support.

Sincerely,

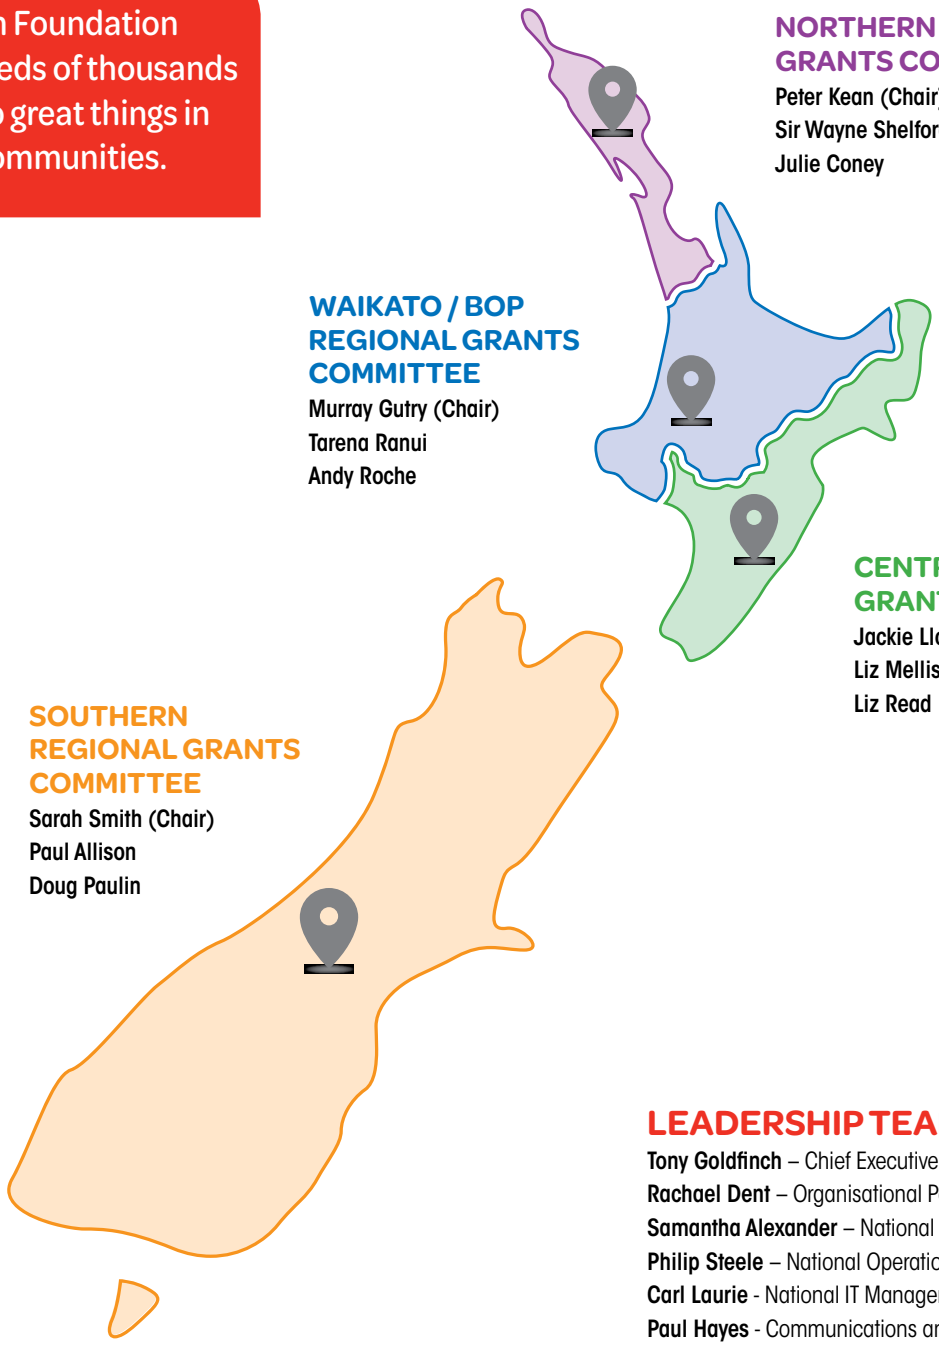

Tony Goldfinch

Waikato Show

This year's Waikato Show was all about playing, creating and feeling inspired by the community. Attendees could support Roller Derby and Powerlifting clubs, make unforgettable memories in the Silent Disco, meet a few cute Waikato furry friends in the Farmyard, create anything out of LEGO, and feel inspired by the stage featuring local talent. Thanks to generous supporters like The Lion Foundation, the Show offered the community an event that is passionate about all things Waikato.

Taku Wairua

The Lion Foundation grant has helped fund the Taku Wairua Kura Program to create a difference in the lives of tamariki in their Waikato communities. They have really gained some traction in schools across Tokoroa, Putaruru, Cambridge, Te Awamutu and Hamilton. Taku Wairua is a personal development and mentoring program designed to tackle modern day challenges and help kiwis thrive in the modern-day world. The program allows for young people to become better versions of themselves by discovering who they are, to have better self-awareness, self-confidence, self-pride and better seize opportunities.

DRESSAGE WAIKATO

Cyclone Gabrielle threatened the Dressage Waikato Premier League event, but with determination, the committee pushed through. Two weeks later the site was cleaned up and schedule reorganised to accommodate riders, judges and other volunteers affected by the cyclone, and the competition proceeded. Riders displayed camaraderie, embracing the joy of their sport while supporting one another and their horses. Organisers gave special thanks to The Lion Foundation for the invaluable support in making the show a success. Photo credit: Take the moment.

WHANGANUI CREATIVE SPACE

The Whanganui Creative Space programme delivers Art for Wellbeing - providing a safe space for diversely abled artists to come, create and focus on their individual art projects.

Art Tutor Brydee Rood believes in the power of the creative process and the importance of finishing and presenting artworks in exhibitions as it raises awareness and gives visibility to all the wonderful creativity happening throughout the year in the studio, it also generates sense of achievement and pride for those who participate.

The Lion Foundation is once again proud to be supporting Whanganui Creative Space in support of their community art studio.

Young Enterprise Scheme

The Lion Foundation Young Enterprise Scheme helps young Kiwis to become NZ's business leaders of tomorrow. Research shows that the social impact created for each participant taking part in the YES programme is $2,753 over the participants' lifetime. This means, every $1 invested in YES results in $5.80 of measurable social good for Aotearoa. YES Chief Excitement Officer, Terry Shubkin, says "We see every day the positive impact that YES programmes have in the lives of young Kiwis, and it's wonderful to be able to quantify the benefits by measuring social value."

Statement of Service Performance

OUR OBJECTIVES AND HOW WE MEASURE THEM

Our objectives are reflective of our commitment to our stakeholders and the organisations values.

OBJECTIVE 1 – THE RESPONSIBLE DISTRIBUTION OF GRANTS TO CHARITIES AND COMMUNITY GROUPS

1.1 Percentage of grants by category

Measure	Percentage of grants distributed by category	Achieved
What we achieved this year	Sport Arts, culture, community Education Health	44% 24% 14% 18%
What we achieved last year (unaudited)	Sport Arts, culture, community Education Health	43% 23% 18% 16%

Commentary

Each grant recipient organisation's purpose (vis-à-vis the founding document) and primary activity. determines the category of funding. Judgement is applied by the Grant Advisors when processing the applications. The Grant Advisors receive training, have access to guidelines and literature authored by legal experts to ensure consistent determination of category. Distributed grants are defined on a payments basis excluding movements in accrued distributions payable for this measure.

1.2 Regional distribution of grants

Measure	Percentage of grants distributed by region	% Revenue Generated	% Grants Distributed
What we achieved this year	Northern Waikato/BOP Central Southern National	17% 36% 20% 27% N/A	18% 28% 15% 23% 16%
What we achieved last year (unaudited)	Northern Waikato/BOP Central Southern National	13% 37% 21% 29% N/A	13% 31% 17% 24% 15%

1.3 Percent of revenue returned to the community for Authorised Purpose

Measure	Percentage of revenue returned to the community for Authorised Purpose
What we achieved this year	40.3%
What we achieved last year (unaudited)	40.2%

Commentary

As a result of Covid-19 trading restrictions, 40% was not distributed within the financial year to 31 March 2022, however further payments were made withing 90 days of year end, complying with Gambling (Class 4 Net Proceed) Regulations 2004, specifically Regulation 11. This is calculated on an accruals basis including funds returned within 90 days post balance date.

OBJECTIVE 2 – TO RESPONSIBLY MANAGE OUR RELATIONSHIPS WITH THE VENUES AND THEIR PATRONS

2.1 Venue satisfaction score

Measure	Venue satisfaction score
What we achieved this year	Question 1: Average Score 9.46 Question 2: Average Score 9.38 **Combined Average Score: 9.42**
What we achieved last year (unaudited)	Question 1: Average Score 9.43 Question 2: Average Score 9.32 **Combined Average Score: 9.38**

Commentary
In addition to the two quantitative questions in respect of which participants are requested to provide a score, 5 other aspects of the relationship are examined. All survey suggestions are reviewed for opportunities to improve the support provided to venues.

2.2 Gambling harm awareness training provided to all venue managers

Measure	Venue managers of venues operating at balance date that were new to the role have received harm minimisation training
What we achieved this year	100%
What we achieved last year (unaudited)	100%

Commentary

Therefore, exited venue training records were unable to be accessed at the date of measurement. These venues were excluded from the population for the purposes of this measure.

2.3 Maximum venue payment of 16% in a financial year
